**DOCKET NO. 00-00280**

## ORDER REVISING PROCEDURAL SCHEDULE

By Order dated October 2, 2000, a procedural schedule was established in this matter. By letter dated November 17, 2000, the parties requested and were granted certain extensions of the deadlines set in the October 2, 2000 Order. By letter dated December 1, 2000, the parties further requested extensions in the deadlines remaining in the procedural schedule. The letter states that the extension is requested because the parties are attempting to resolve the case through negotiation. In order to accommodate the parties' negotiations, on December 1, 2000, the Hearing Officer revised the procedural schedule as follows:

**December 15, 2000**

Pre-filed direct testimony of both parties. The parties are also requested to submit independent reports of the progress of negotiations in this matter, including the possibility of settlement.

**January 3, 2001**

Rebuttal to pre-filed direct testimony of both parties.

**January 8, 2001**

Parties' comments regarding whether an evidentiary hearing with live testimony is necessary.

**January 16, 2001**

Hearing at 9:00 a.m.

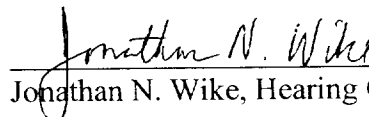

On December 13, 2000, counsel for the parties requested, by telephone, a suspension of the revised schedule for an additional thirty (30) days. As grounds for the request, counsel for the parties stated that settlement negotiations are continuing and that a settlement is likely.

Upon considering that the parties' request for additional time is based on ongoing settlement negotiations **and** the earlier requests for extending deadlines in the procedural schedule, it is the decision of the Hearing Officer that each of the deadlines stated above shall be extended by **twenty (20) days**. Thus, the procedural schedule is revised as follows:

<b>January 4, 2000</b>	Pre-filed direct testimony of both parties. The parties are also requested to submit independent reports of the progress of negotiations in this matter, including the possibility of settlement.
<b>January 23, 2001</b>	Rebuttal to pre-filed direct testimony of both parties.
<b>January 29, 2001</b>	Parties' comments regarding whether an evidentiary hearing with live testimony is necessary.
<b>February 5, 2001</b>	Hearing at <b>9:00 a.m.</b>

All filings are required to be submitted to the Authority no later than **2:00 p.m.** on the date they are due.

Furthermore, the parties shall have twenty (20) days to submit a Settlement Agreement or resume compliance with the above revised procedural schedule. In the event that the parties do not submit a Settlement Agreement or resume compliance with the procedural schedule, the Hearing Officer shall issue an order dismissing this case without prejudice.

  
Jonathan N. Wike, Hearing Officer
